

# CUCCIO™ NAIL SOLUTIONS

## PRODUCT GUIDE

Give your clients the solution to every day nail challenges. Each Cuccio Nail Solutions™ is designed to meet the specific needs of every type of nail client or to use as a take home maintenance program to grow longer, stronger healthy natural nails.

### CUTICLE OIL

#6991

**BENEFITS:** A rich cuticle complex used to nourish and moisturize the cuticle.

**HOW TO USE:** Use after manicure or pedicure service.

### MOISTURE REPLENISH

#6992

**BENEFITS:** A nail conditioner to help prevent peeling and cracking.

**HOW TO USE:** Use 2-3 times per week. Can worn as a base coat under your favorite Cuccio Colour™.

### TRIO 3-IN-1 TREATMENT

#6993

**BENEFITS:** A base coat, ridgefiller and strengthener all in one.

**HOW TO USE:** Can be worn alone as it contains Optical Nail Brighteners to help make nails appear healthy. Can also be worn as a base coat under your favorite Cuccio Colour™.

### NAIL STRENGTHENER

#6994

**BENEFITS:** Contains a calcium complex for maximum strength.

**HOW TO USE:** Can be worn alone or as a base coat under your favorite Cuccio Colour™.

### QUICK DRY DROPS

#6995

**BENEFITS:** Helps dry layers of polish quickly while providing moisture and protection.

**HOW TO USE:** Drop one drop per nail to quickly speed up the drying process after final coat has been applied (final step before sending the client home).

### DEHYDRATOR

#6996

**BENEFITS:** An effective pre-colour nail wash.

**HOW TO USE:** The key to great adhesion of polish. Allow to fully dry before applying the base coat.

### BASE COAT

#6998

**BENEFITS:** Lays down a binding layer to prepare the nail for colour.

**HOW TO USE:** Use after the application of the Dehydrator and right before the polish service, allow the base coat layer to dry before applying colour.

### HIGH GLOSS TOP COAT

#6999

**BENEFITS:** Chip-resistant, quick-dry formula contains UV absorbers that help protect nail colour with high gloss finish.

**HOW TO USE:** Use over any colour application.
